

## Recruiting Wall Art Project Personal Supporters 2014

Wall Art Project is recruiting supporters who will be sponsors and supporters for the year May 2014 to April 2015.

### ■ What is the Wall Art Project ?

It has been 5 years since we started organizing an art exhibition at some primary schools in remote areas of India with artists, school teachers, students, volunteers from locals and Japan. The literacy rate of those areas was around 50 %. After the exhibition, 100 new students have been admitted to those schools. The Wall Art Project is thinking to help children select their coming future. Though this is a small scale project; with fully engaged staffs both in Japan and in India, we have been able to organize a high quality art exhibition every year with many supports. We wish you all join us to sow seeds of art, education, international cooperation in any way you are able to.

■ Annual Fee 30 US\$ per year (Indian Rupees or Japanese Yen is helpful.)

■ Privileges A WAF badge (designed by participant artists)

"WAF WAF Information News"\* sent monthly

\*Limited share of information regarded to Wall Art Project in 2014.
